

## proVision® Healthcare Endorsement

Hospitals, nursing homes, and other healthcare providers have unique exposures that many standard policies do not address. By adding the Healthcare Endorsement to the proVision® 4100, healthcare providers can ensure they have the cover needed if a loss occurs.

### Customised Healthcare Cover:

The Healthcare Endorsement extends the following valuable cover as a result of a covered loss:

- **Emergency Evacuation Expense:** Covers costs to evacuate patients and residents at management's discretion or when a civil authority orders evacuation.
- **Mobile Medical and Diagnostic Equipment:** Covers mobile medical and diagnostic equipment within the policy territory.
- **Patient and Tenant Relocation Expense:** Covers the relocation of patients when rooms are made uninhabitable.
- **Patients' Personal Property:** Extends cover for patients' personal property on-site.
- **Professional Employee Replacement Expense:** Covers expense incurred to replace professional employees who have resigned as a direct result of insured physical loss or damage.
- **Removal and Restocking Expenses:** Covers expenses incurred from removal and restocking of a pharmaceutical product or medical supply as a result of a manufacturer's recall or order by a governmental authority.
- **Research and Development Animals and Experiments:** Protects valuable research projects by extending cover to research animals, research experiments and project restoration costs.
- **Spoilage:** Provides broad cover for damage to property caused by a change in temperature or humidity due to an accidental event.

### proVision 4100 Cover

In addition to the customised cover provided via the Healthcare Endorsement, the proVision 4100 offers numerous cover advantages for healthcare clients, including:

- **Owned Network Interruption:** The proVision 4100 treats data like property and extends business interruption cover to include failure of insureds' electronic data processing (EDP) equipment or media as direct result of a cyber event directed at them anywhere in the world.
- **Communicable Disease:** Covers the cost of cleanup, removal and disposal of communicable disease including costs or fees for reputation management and business interruption, when access is limited, restricted or prohibited by order of an authorised governmental agency or an officer of the insured.
- **Crisis Management:** Covers business interruption when access to a location is prohibited by order of a civil authority due to a violent crime, suicide, attempted suicide or armed robbery, including death or bodily injury caused by a workplace accident.
- **Off Premises Service Interruption (PD and BI):** Covers resultant damages due to loss of incoming services from an accidental event, including the perils of flood and earth movement, to utility-owned property for traditional services like gas, water, electric and steam.
- **Unplanned Capital Expenditure:** Following a loss, repairing or replacing damaged property with like kind and quality may not make the best financial sense. Clients can elect to use their loss settlement for an unplanned capital expenditure of their choice.
